CUP OF JOE

Hailing from the foothills of Santa María, Colombia, Joe had always been a special blend of beans. When his small town could no longer hold his big-city ambitions Joe set out to make a name for himself.

Braving jungles and scaling mountains Joe's journey to your cup earned him the nickname 'Los Osos' for the bear of legend that moves through the forest.

Although it took him a great while longer than he anticipated Joe wasn't too late. Because when it comes to Joe he is always right on time.
